# ABOUT COMPANY

Dear Sir/Madam

SiyAfrica is a prominent manufacturer of supplies, uniforms, and personal protective equipment (PPE). We offer on and off-site solutions for large and small businesses in construction, security, industrial, catering, office cleaning, maintenance, and corporate sectors.

If you need a customised end-to-end procurement that will meet all your workwear and personal protective equipment that will meet all your workwear and individual protective equipment requirements, we are the team for you.

We pride ourselves in excellent customer service and have built a reputation for providing clients with bespoke end-to-end procurement management solutions.
